05 · WHERE DO LESSONS TAKE PLACE?

All lessons and practical activities take place at the same apartment where you will be staying (if you book accommodation with me).

This way, you enjoy a complete immersion experience without wasting time on commuting. You live, learn, and practice Spanish in the same place, which makes learning faster and more natural.

If you prefer to take lessons elsewhere (for example, at a local café or library), I can also arrange that – just let me know your preference.

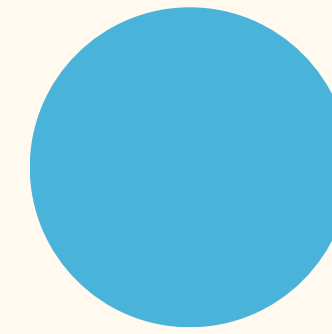

06 · ACCOMODATION (OPTIONAL)

Where you will stay - £120/ night

A private, fully equipped apartment in the heart of Cádiz, with two bedrooms, kitchen, and living room. You will have the entire place to yourself. The accommodation price is per night, regardless of the number of people (up to 3). This means you can come alone, with a partner, or with a friend who doesn't take the course. They can enjoy Cádiz while you study. Just let me know who is coming, and I will prepare the rental contract accordingly.

Please note: The apartment is on the 3rd floor with no lift. This is typical of many historic buildings in Cádiz. I recommend packing light, and I will be happy to help you with your luggage upon arrival if needed.

Why choose my course?

- Private lessons: One-to-one attention, adapted to your level and interests.
- Full apartment: You get the entire place to yourself, not just a room.
- Personalised activities: Each day, we practice Spanish in real contexts, tailored to what you enjoy.
- Total flexibility: You choose your dates, duration, and activities.

How to book:

1. Write to me at **spanishorangeinfo@gmail.com** or send me a WhatsApp message at **+34 698 956 190**.

Tell me your **preferred dates**, your approximate **Spanish level**, and **how many people** are coming.

2. Before confirming anything, we'll have a short, relaxed **video call** (Teams or Google Meet). This helps me:

- Assess your real Spanish level in a natural conversation.
- Understand your interests, goals, and learning style.
- Answer any questions you may have about the course or your stay.

This way, I can design a program that is truly tailored to you, from day one.

3. Based on our call, I will prepare a custom course plan for you and send you:

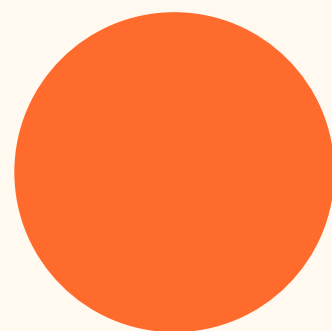

- The **course invoice** (with a 30% deposit to confirm your booking).
- The **rental contract** (This is a legal requirement and ensures both parties are clear on the terms.)

4. Confirm your booking

Pay the **30% deposit** to secure your course.

The remaining 70% of the course and the full accommodation payment are due **upon arrival**.

No security deposit required – I trust you will take good care of the space.
